This institute, geared for county and district English Learner Coordinators, will feature key strategies to integrate the arts into the core curriculum aligned to Common Core State Standards.

Presenters will engage participants in hands-on innovative strategies that will assist English Learners with competencies in reading, writing, speaking, and listening and arts engagement!

Learn more about CCSESA Arts Initiative's *Creativity at the Core* suite of professional learning modules, which represent a portfolio of culturally and linguistically responsive arts learning curriculum modules of powerful interdisciplinary learning tied to California state standards, including Common Core.

Learn how CABE has partnered with CCSESA to help develop modules that will meet the needs of educators statewide. Most of all, come to this powerful learning opportunity so that you can also engage in the arts!
