

HANDOUT

Title:

Handout #:

Content:

Objective: Students will be able to compare and contrast different categories, collaborate in a small group and speak to an audience.

Ca Arts Standards/Theatre: 6.TH:Cr2b

Materials:

Introduction: Teacher will introduce compare and contrast.

Compare= discuss things that are similar

Contrast= discuss things that are different

Warm Up: “4 Corners”

Teacher will ask students a question with 4 possible answers. For example: “What is your favorite season?”

Each corner of the room will be assigned a specific season. When the teacher says “go” students will go to the corner that represents their favorite season.

Once there, students discuss with those in their corner about their opinion. Teacher will have 1 volunteer from each group to explain why that group chose that particular corner.

IF students can’t decide they may stand in the middle of the class. They must “compare and contrast” the two options they can’t decide between.
