Sea Turtles Here, There, and Everywhere

Sea turtles here, sea turtles there,
Sea turtles, sea turtles everywhere!

Female sea turtles nesting routinely,
Young sea turtles hatching naturally,
Juvenile sea turtles drifting carelessly,
And wild sea turtles scavenging hungrily.

Sea turtles on sandy Texas beaches,
Sea turtles along the Gulf of Mexico,
Sea turtles in shallow seaweed mats,
And sea turtles below the ocean waves.

Sea turtles here, sea turtles there,
Sea turtles, sea turtles everywhere.
Sea turtles! Sea turtles! Sea turtles!
