

## **Zoom Webinar**

# ArtsEdSearch— What's New for California

## **About The Webinar**

ArtsEdSearch is the nation's hub for research on the impact of arts education. Join us to learn about new California-specific tools and resources to enhance your ArtsEdSearch experience. The resources include search filters and companion documents aligned to state priorities outlined in the Local Control Funding Formula (LCFF).

Participants will also be introduced to additional LCFF-focused resources for arts education and explore ideas on how to leverage the resources and research to increase opportunities for all students at the classroom, district, and county level.

**DATE: SEPTEMBER 26**

**TIME: 4:00 – 5:00 PM**

## ***Webinar Audience***

Arts education leaders including educators and community organizations
