Leadership Development through Prop 28 Planning:
An Interactive Workshop

Friday, September 8 | 9:30AM-2:00PM
Breakfast/Registration 9:00AM

Come with a team of 2-3 people from your district to unpack the promise of Proposition 28: the new annual funding stream for Arts & Music in Schools. District Teams will identify best practices and develop key action steps to utilize funding provided through Proposition 28. Explore tools to develop your own leadership skills and communication practices that are affirming and inclusive. Coaching will be provided in this interactive workshop format and participants will have an opportunity to share ideas and surface questions and concerns.

Outcomes:
• Learn about opportunities and requirements for Prop 28 Funding
• Work with your district team to develop consensus around best approaches
• Develop an action plan to roll out staffing and equipment needs for Prop 28 implementation
• Explore leadership tools and methods to increase effective communication
