Bay Area Prop 28 Bootcamp

Co-presented by
Alameda County Office of Education
San Mateo County Office of Education

Audience
Region 4 Site and District Administrators and VAPA curriculum leaders

Come unpack the promise of Proposition 28! Your district teams (i.e. VAPA Lead, Arts TOSAs, Site Arts Lead, Administrators, Finance) will define best practices and identify action steps to utilize funding provided through Proposition 28 and the Instructional Materials Block Grant. Participants will be guided to work through opportunities and challenges and create a targeted action plan to launch efforts toward increased staffing for access and equity in the arts.

In this interactive workshop, you will:
• Share ideas and surface questions and concerns
• Learn about opportunities and requirements for Prop 28 Funding
• Work with your district team to develop consensus around best approaches
• Develop an action plan to roll out staffing and equipment needs for Prop 28 implementation
